Honorable John Tower  
United States Senate  
Washington, D. C. 20510

Dear Senator Tower:

Thank you very much for your letter of 12 September 1977  
forwarding the 7 September letter to you from [redacted]  
[redacted] Washington. [redacted]

I have referred the matter to the appropriate members of my  
staff to determine what, if any, interest CIA may have in it.

I particularly appreciate your referral of this matter to the  
Agency. The CIA takes very seriously its obligation and opportunity  
to be in touch with American citizens who have information on foreign  
matters that they believe might be of interest to the United States  
Government. The Agency has found over the years that information  
of genuine significance often reaches the Government in just this way.  
Not everyone has something of great moment to convey, but we  
are always ready to listen, and we are ready to pursue those matters  
which appear to be of mutual interest. Again, thank you.

With all best wishes,

Sincerely yours,

/s/ Stansfield Turner
